it is usually vegetarian, but it is a quite decent selection of vegan things: brot, baked, alfajores, kakaobälle, dried fruits, cheese, milk, home vegan hamburger. it is a really good alternative if they are close. I bought alfajores with peanut butter and kakaobälle and nood are very good! I was very surprised. [read more](#). What [User](#) doesn't like about Emporio Delifrutos:

Many options for lunch, unfortunately, did not have vegan empanada frita apparently all are baked: and with whole dough that makes it even dryer. some high prices, but it is understood since on the beach everything is more expensive. When I asked for the empanada they took it with their hand, without gloves or napkins that I didn't like much: since I don't know what the hygiene of the person who assists me is, etc. T...
