Feeling down? Have a whopper, takes the blues away. The quintessential meal for the common man/woman.

There were 5 cars ahead of me and 2 staff (a manager and crew) one taking orders at the drive thru and the other doing cashier and assembling orders. All 6 cars in line were in and out in less than 10 mins. Good job! [read more](#). As a guest, you can use the WiFi of the establishment at no extra cost. What [User](#) doesn't like about

Burger King:

Hit and miss. When they're good they're good (60% of the time) but they mess up orders a lot, and are constantly out of ingredients. They haven't had lettuce in weeks (see sign they posted) and were out of the ghost pepper sauce for the Halloweenwhopper days before Halloween. They also never pick up their phone, so you can't call ahead and see if they have what you want, before you make the trek in, which is annoying.... [read more](#).
