Very strong and abundant dishes, the very tasty bbq costillites, abundant salad accompaniment, easy for 2 people, as a weak point was the choclo cake that was frozen to the center and a mojito that was not good. read more. What Gabriel O doesn't like about The Ñaños:
The attention was paupérrima, besides that they had none of the star dishes as a strip roast, trout, bow and tomahawk. In the picture you can see that you do not have the necessary care to serve the pasta dishes contaminating the food with the posillos on it. Lamentable visit of our family. read more.
