En esta página de inicio encontrarás el [menú completo](#) TGI Fridays de Buenos Aires. Actualmente hay 26 menús y bebidas disponibles. TGI Fridays in Buenos Aires has had some ups and downs. Despite previously being a must-visit spot, recent experiences have been underwhelming. Issues like slow service, mediocre food, and unprofessional staff have left customers dissatisfied. While the ribs are still a favorite, other dishes and drinks have not lived up to expectations. On the bright side, the location offers comfortable seating and a friendly waitress named Caro. Overall, TGI Fridays in Buenos Aires may not be worth the time and money, especially with better dining options available.
